

Career Club Glasgow – Registration Information

The programme lasts for 3 weeks and participants will receive a £100 voucher upon successful completion. The programme is aimed at showcasing careers in front line service industries such as Hospitality, Tourism, Food & Drink, Retail and roles involving customer care. The programme is delivered by several tutors, employers & ambassadors and will arm participants with the essential skills to gain employment in entry level positions.

Young people will be expected to attend each day from 09.00 to 15.30(ish) and keep their camera on and be prepared to engage with tutors and each other. Young people will need a laptop or IPAD, ideally not a phone as they will struggle to do the full course without a screen.

To be eligible, young people must be aged 16-17 years old, and not in education or employment.

If you have any young people interested, simply email their name, address and contact information, along with email confirmation that they have give you consent to share their details with us to Evelyn.Rimkus@actionforchildren.org.uk

We will then make contact with them to have an informal chat and if all good to go, get them set up and registered to begin.

If you have any questions, give me a call on my mobile (working remotely): **07860-758-766**.

There are 12 places available on the programme and will be offered on a first come, first serve basis. We will also be running another programme in March 21.
