DigiKnowVember Programme 2025 DigiKnowVember is Renfrewshire's Digital Inclusion Awareness Month – This is your chance to get more confident, connected, and clued-up in the digital world. Whether you're curious about online safety, want to explore new tech, or simply looking to make the most of everyday digital tools, this month is packed with practical tips, free resources, and engaging activities for all ages. From beginners to seasoned users, DigiKnowVember is about making digital knowledge accessible, useful, and empowering for everyone.							
Monday 03 November 2025							
0930 - 1130	Renfrewshire Council: Adult and Family Learning Service	<u>Digital Skills for Beginners **FREE EVENT**</u> Our friendly and relaxed Digital Beginners groups are about finding out what digital devices can do for you and building the skills and confidence to use them in everyday life. We can help with everything from turning them on and understanding the basics, through to going online safely and finding and saving information. You will learn how to recognise technical problems and solve simple issues, and when and how to seek help for those troublesome technical problems.	In-person	Foxlea Community Learning Centre c/o St Paul's School Morar Drive Paisley PA2 9FA	Adult learners who are not engaged in secondary school education	Registration / Joining Instructions: Call 0141 487 0164 Contact Information: adult.learning@renfrewshire.gov.uk 0141 487 0160	Digital Skills
0945 - 1145	Renfrewshire Council: Adult and Family Learning Service	<u>Digital IT Course/Workclub **FREE EVENT**</u> Learners building their own confidence, learning new digital skills whilst using their own devices or the centres (tablets, laptops, chrome books, etc). Within the session we focus on learners individual needs. E.g. internet searching, emailing, research, quizzes, internet safety.	In-person	Southend Action Centre 57 Stock Street Paisley PA2 6NL	Adult learners who are not engaged in secondary school education	Registration / Joining Instructions: Call 0141 487 0164 Contact Information: adult.learning@renfrewshire.gov.uk 0141 487 0160	Digital Skills
1000 - 1100	Health and Social Care Alliance Scotland (The ALLIANCE)	<u>Discover Digital and Stress Awareness Week **FREE EVENT**</u> Stress is something we all struggle with, so let's tackle it together! As part of Stress Awareness Week the Discover Digital project is hosting a free, online workshop. Come along and learn about free and trusted apps and programmes that can help you to manage your stress and improve your health and wellbeing The Discover Digital project is brought to you by the Health and Social Care Alliance Scotland.	Online	Zoom	None - open to all.	Registration / Joining Instructions: Email dhscot@alliance-scotland.org.uk or call 0141 404 0231 Contact Information: dhscot@alliance-scotland.org.uk 0141 404 0231	Digital Health & Wellbeing
1000 - 1130	Renfrew YMCA	<u>Digital Sensory Play - Little Rascals Club. **FREE EVENT**</u> Press Start 2 Play This November, Renfrew YMCA will be adding a digital flavour to our programme. Our Little Rascals parent-and-toddler group will already have sensory features delivered via digital tools, and all groups in our calendar will include a digital element, such as: Break the Game: Q&A testing Esports giveaway – a chance to kick-start your esports journey with free equipment A "Spot the Deep Fact" quiz A new social media platform to share progress on our Climate Project ...and much more! Please check our FACEBOOK book page for more. Search Renfrew YMCA!	In-person	Renfrew YMCA 3 Canal Lane Renfrew PA4 8QS	Young people for the youth clubs and parents and toddlers. 1100 - 1300	AbilityNet	<u>How to stay safer online **FREE EVENT**</u> Are you 65+ or a disabled adult looking to boost your digital skills? In partnership with BT Group, we are offering free Digital Skills Training designed to help individuals stay connected, informed, and independent. Learn how to spot scams and what steps you can take to protect yourself and your devices. Attendees can expect: • Easy-to-follow demonstrations • Real-life examples and tips • A welcoming space to ask questions • Resources to continue learning after the session Please note, places are limited	In-person	BT Group Offices Alexander Bain House 15 York Street Glasgow G2 8LA	People with Disabilities or Adults over 65	Registration / Joining Instructions: Telephone 0300 180 0028 or email digitalskills@abilitynet.org.uk Contact Information: digitalskills@abilitynet.org.uk 0300 180 0028	Internet Safety and Cyber Security
1230 - 1330	University of Edinburgh (Independent)	<u>AI in the Real World (Intro) **FREE EVENT**</u> How Charities and Community Groups can use AI Effectively. This 60-minute jargon-free online session introduces artificial intelligence in a clear and accessible way. Aimed at third sector staff and volunteers, it demystifies what AI is (and what it isn't), while showing how tools like ChatGPT, Canva Magic, DALL-E, and Teachable Machine can support real-world charity work, from communications and social media to admin and fundraising. No technical background is required. The session includes live demos, practical examples, and real use cases. We'll also touch on key concerns like online scams, accessibility, and ethical use; especially when working with vulnerable groups or older adults. Ideal for anyone curious about what AI means for their work and how to get started safely and meaningfully. Please note this session is limited to 15 spaces.	Online	Google Meet	None - open to all.	Registration / Joining Instructions: Register your place at https://www.eventbrite.co.uk/e/ai-in-the-real-world-intro-tickets-1713820646689?aff=oddtcreator Contact Information: Dr Dora Kalogianni University of Edinburgh (Independent) Contact email: dora.11.kalogianni@gmail.com	General Digital Inclusion

0930 - 1130	Renfrewshire Council: Adult and Family Learning Service	<u>Digital Skills for Beginners **FREE EVENT**</u> Our friendly and relaxed Digital Beginners groups are about finding out what digital devices can do for you and building the skills and confidence to use them in everyday life. We can help with everything from turning them on and understanding the basics, through to going online safely and finding and saving information. You will learn how to recognise technical problems and solve simple issues, and when and how to seek help for those troublesome technical problems.	In-person	Foxlea Community Learning Centre c/o St Paul's School Morar Drive Paisley PA2 9FA	Adult learners who are not engaged in secondary school education	Registration / Joining Instructions: Telephone 0141 487 0165 Contact Information: adult.learning@renfrewshire.gov.uk 0141 487 0160	Digital Skills
0930 - 1300	University of the West of Scotland	<u>Digital Future: Transforming Industry with 5G and Advanced Technologies **FREE EVENT**</u> Join us for an interactive showcase exploring how digital technologies are reshaping key industries. Through live demonstrations and case studies, you'll discover how 5G, XR, IoT, AI, and digital twinning are driving innovation across: Digital Manufacturing – Explore real-time monitoring and predictive maintenance through 5G-enabled digital twins of CNC machining systems. Digital Aerospace – Experience XR-powered remote support, troubleshooting, and certification processes that enhance efficiency and reduce downtime in aviation. Digital Health – Learn how immersive XR training and remote guidance are accelerating skills development for healthcare professionals. Digital Energy / Net Zero – See how smart connectivity and advanced analytics support sustainability, optimize processes, and contribute to the transition toward Net Zero. This event will provide hands-on insights into cutting-edge demonstrators developed at the Digital Connectivity & Innovation Centre (DCIC), showcasing how Ayrshire is leading the way in digital transformation. 0930 - 1230	Renfrewshire Council / Business Gateway	<u>Cyber Security Essentials for Small Business Owners - Renfrewshire **FREE EVENT**</u> SMEs are often the easiest target - and the cost of recovering from an attack can be devastating. And now there's a new layer of risk: criminals are using AI tools to create convincing fake voices, emails and even videos designed to trick business owners and their staff. These "deepfakes" and AI-powered scams are harder to spot than ever - but the good news is, with the right awareness, you can protect yourself. This practical, jargon-free half-day workshop will show you how to protect your business, your customers and your reputation. You'll leave with the knowledge and confidence to spot scams early, avoid costly mistakes, and put basic safeguards in place.	Online	Zoom	None	Registration / Joining Instructions: Register your place at https://www.bgateway.com/events/cyber-security-essentials-for-small-business-owners-renfrewshire-30521 Contact Information: Via Business Gateway website booking link	Internet Safety and Cyber Security

0900 - 1200 1300 - 1600	Renfrewshire Council - RenSafeOnline	<u>RenSafe Online ambassador training session **FREE EVENT**</u> With increasing time spent online and rising feelings of isolation, many people are more susceptible to online fraud. As digital interactions grow, the demand for online safety education becomes more critical. This is an opportunity for you to make a significant impact by helping others stay safe online. Through our partnership with Get Safe Online, the Online Safety Ambassador program empowers dedicated individuals like you to champion safer online behaviours both within your immediate circles and the wider community. As an Online Safety Ambassador, you will: •Choose your engagement approach: Whether it's at work, with family, friends, or in your community, you decide how you connect. •Increase awareness: Teach people how to safely and responsibly explore the online world. •Empower individuals: Offer advice and guide others to adopt best practices in safeguarding their personal information and avoiding online scams. Lack of experience isn't a barrier— comprehensive training and resources are provided. You'll be well-equipped to confidently assist others, supported by a network of fellow ambassadors. Why join? •Develop crucial skills: Acquire knowledge on scams, digital privacy, and more—vital in today's tech-driven world. •Enhance your career: This unique role adds a valuable dimension to your professional skills. •Contribute positively: Help foster a safer and more secure online environment for all. Open to anyone who works, volunteers, lives or studies in the Renfrewshire council area. Great opportunity to become an accredited online safety ambassador and join a growing community of ambassadors who can use their knowledge and the ambassador support system to either provide direct assistance or direct individuals to the required <u>information and support</u>.	Online	Microsoft Teams	Over 18s only	Registration / Joining Instructions: Register your place at https://forms.office.com/e/AaMFG32h2w Contact Information: 0141 487 4708 rensafeline@renfrewshire.gov.uk	Internet Safety and Cyber Security
